Gems I have learnt from this Surah:

What is Allah testifying to in ayahs 1-4?  
Use the ayahs to describe this object:

**Explain using Ayah 8 Allah shows his mercy on Humans:**

Write down the story of Thamud and Prophet Salih in this Surah. What were they asking for?

**What happened to the people of Thamud when they killed the she-camel?**

**Why did Allah destroy the whole nation when only one man killed the she-camel?**
