

## Suratul Infitaar

### Introduction:

This Surah talks about the End of times ( events that will happen before resurrection + on the day of judgement). Then the Surah talks about arrogance/ ungratefulness to Allah + his disbelief in the hereafter + that there will be no judgement for what he is doing.

2 camps of people on Day of judgement.

When a calamity befalls on a person - where do they run to? E.g. tornadoes. Mainly people don't know where to go.

Ayah (1):

"idha" there has to be a reply to that

Ayah (5):

Reply to the above 4 ayahs

Ayah (6):

"ya ayooha nass" - a call to all mankind. What is cheating you when it comes to your Lord.

"birabbik": to YOUR Lord: Allah uses loving words to pull you towards him.

Ayah (9):

"Kalla": arrogance:

Exams: if someone gives up from the beginning - it's too hard - there is no way they'll make it to the end.

Ayah (12):

They know what you are doing

Ayah (13):

"abrar": birr: piety

Then Allah talks about the 2 camps Humanity will be in. Many other Surahs before this one talk about the same topic but each Surah covers a different aspect.

Ayah (17):

Warning to the people: Ayah 17/18/19 - anything that distracted them won't come to their help.

Ayah (19):

The final word is Allah's. No person shall have the power to help anyone else.
