*This Arabic Grammar  
Lapbook belongs to:*

*Year:*

*Cut out the title "Prepositions"*

*Then, cut out the box below on the dashed lines and fold on the straight lines.*

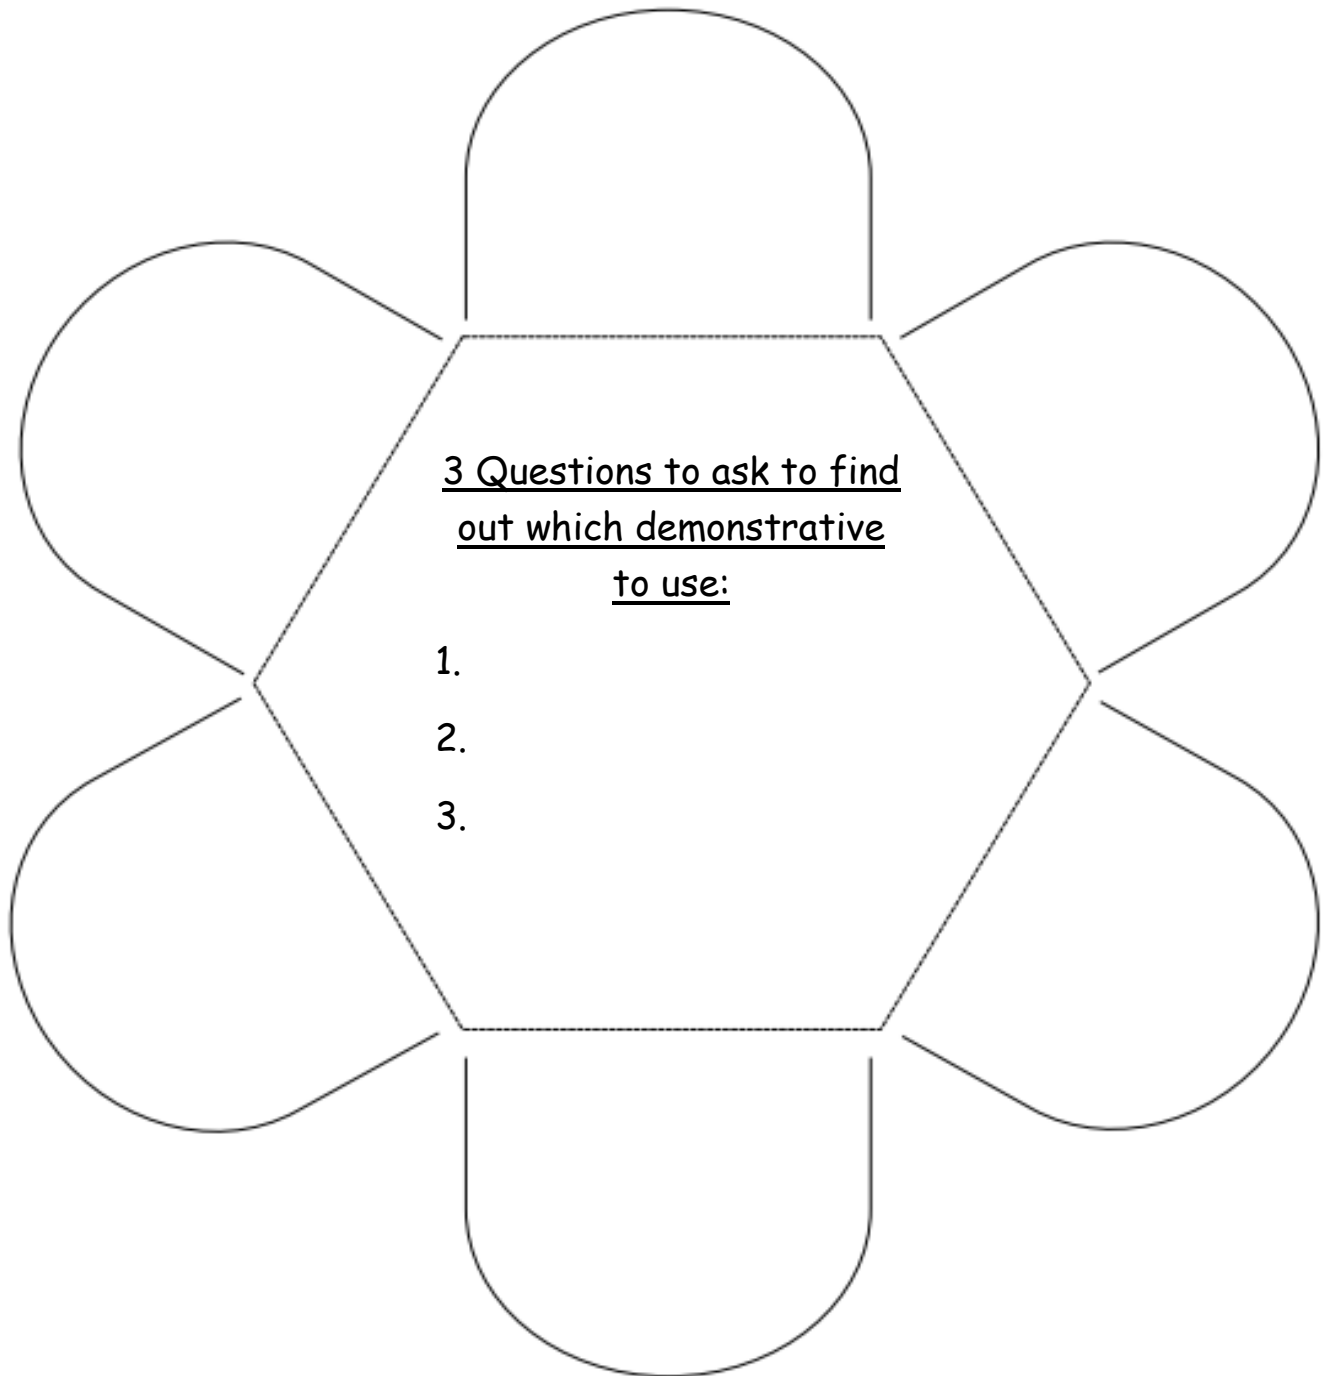

# PREPOSITIONS

*To create your layered book for the explanation to Sound Plurals, cut out the rectangles, stack together (smallest to largest) with cover on top and staple*

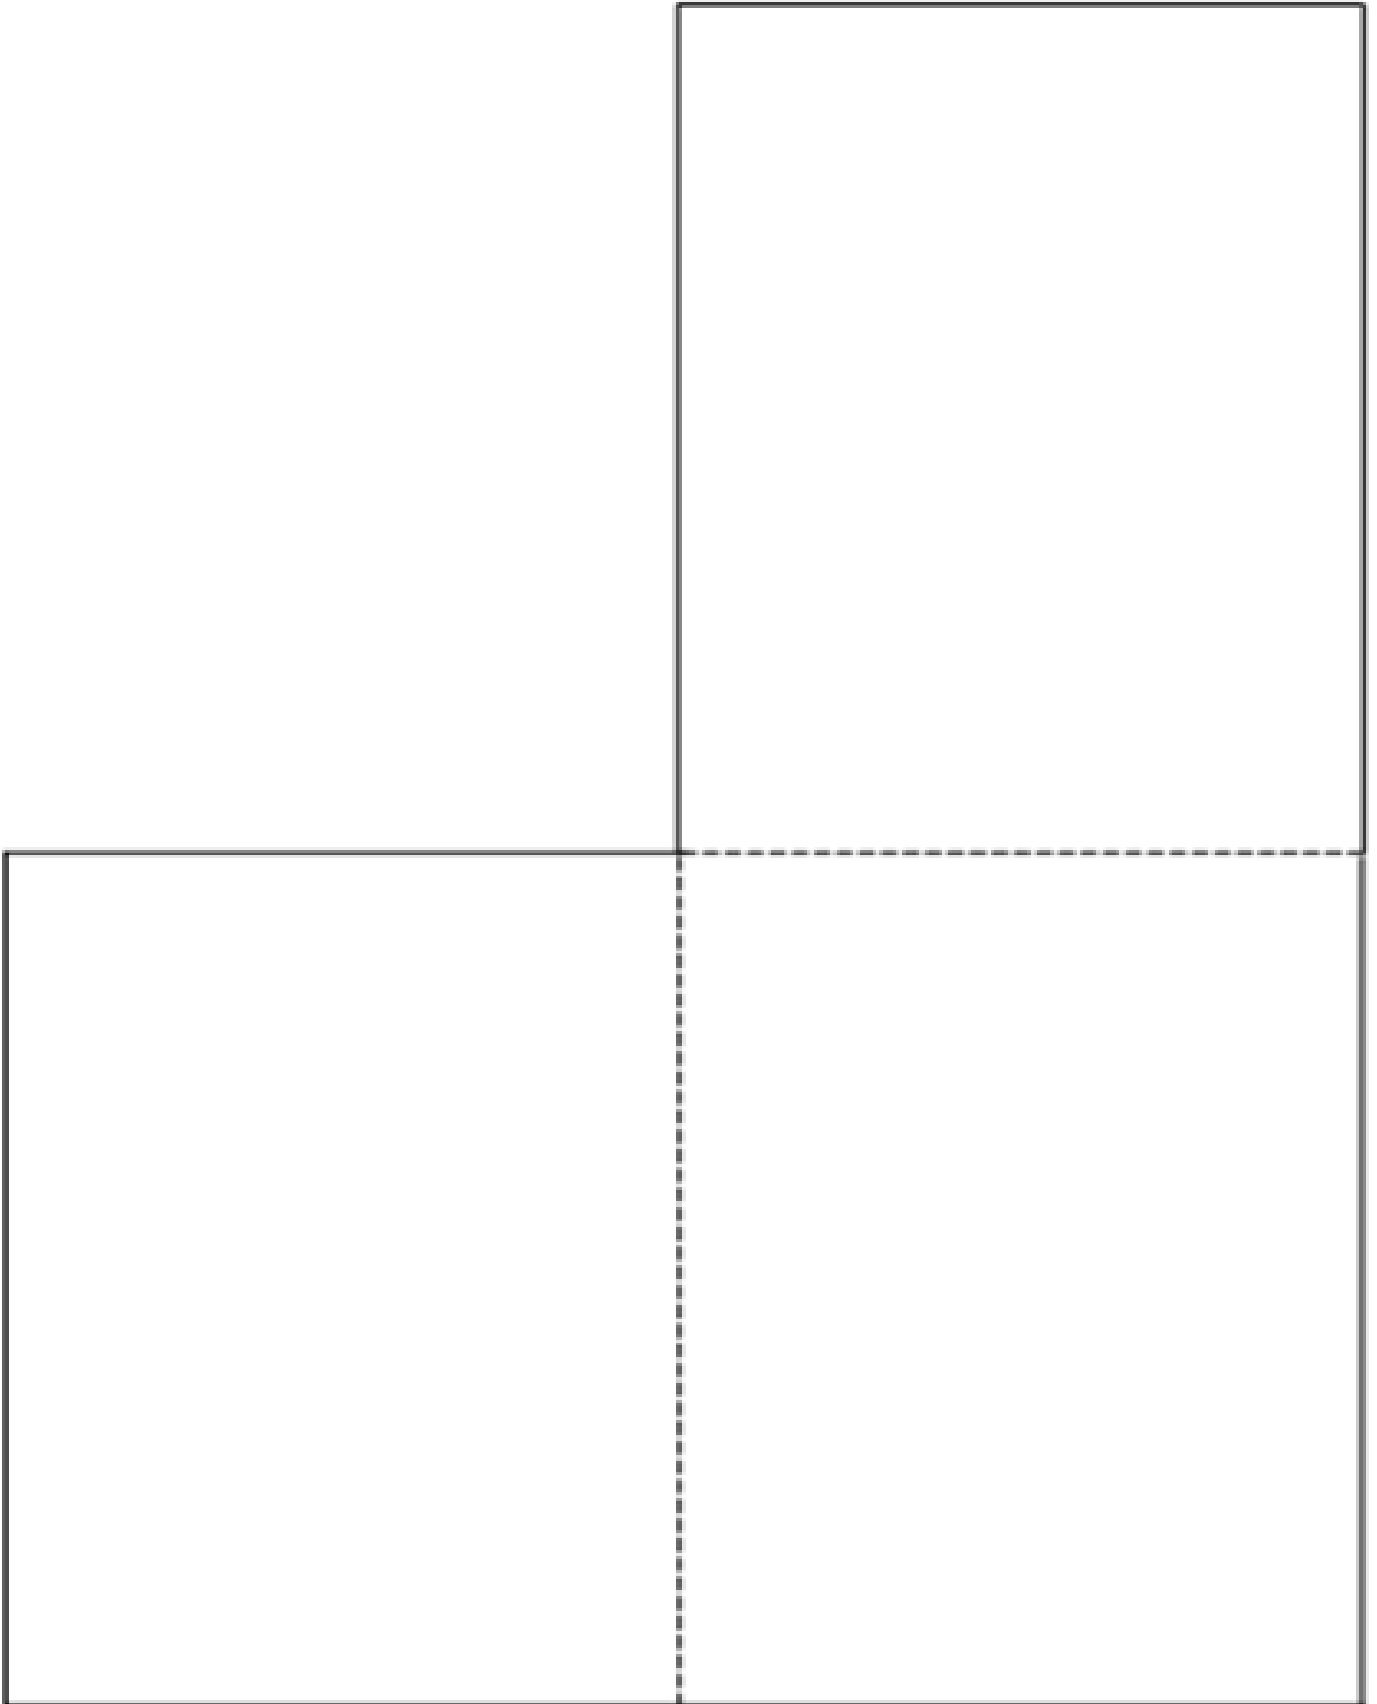

# *Sound Plurals*

To create your petal book for **Demonstratives**, cut out shape as one piece, Write the answer on each petal. Fold flaps using dotted lines as guide.

## DEMONSTRATIVES

To create your book for the **Definite Article**, cut out the book as one piece. Use the dotted line as your guide, fold the top rectangle down and fold the left

To create your tab book for *Arabic verbs root system*, cut out the 5 strips  
Where it says "remove the area" - cut and remove that part. Stack your strips  
in order with cover on top and stable where indicated.
